# BOYS ATHLETICS

St. Bonaventure High School offers Boys athletics in twelve different sports with a long tradition of success on the field and in the classroom. Our hope is that the St. Bonaventure Student-Athlete is able to enrich their high school experience by becoming a part of the Seraph Athletic program as a player, cheerleader, manager or active spectator. The term "STUDENT-Athlete" is very much a part of our athletic philosophy as success in the classroom always takes priority.
