To Our Loving Son Chad,
You are a gift from God. You bring so much love and happiness to our lives. As a baby you were always happy. As a toddler you had fun!! As a child you were an explorer of places in the world and new ways of doing things. As a teenager you have chosen your friends well and honored your family with good choices. Your smile and personality bring happiness and calm to where ever you are. All of us who know you and love you have enjoyed watching you grow and mature into the wonderful and honorable young man that you are today. We are all here for you as you begin one of the several new chapters in your life. May you always keep God at the center of your life!! Dream with your heart and Dream Big!! God can handle it!! Philippians 4:6 and 4:8 come to mind. God's Blessings with lots of Love.

Abby,
These photos are separated by 18 years, but it truly seems like the blink of an eye. Since that baby picture was taken you have filled our lives with so much joy, incredible amounts of laughter, and immense pride. Over the years I've often shared this Joe Paterno quote with you: "Believe deep down in your heart you're destined to do great things." Truly believe it! The world is at your fingertips so go out and grab it. Take advantage of every opportunity that comes your way and I know you will accomplish great things in your life. Dad and I cannot be more proud of you, we love you more than you'll ever know, and we so look forward to seeing your future accomplishments and what life has in store for you. Congratulations, Baby Girl!
Love,
Mom, Dad, Kelsey, & Lily
